

# **PUBLIC SERVICE ANNOUNCEMENT**

The winter season is upon us, and your safety is the Township's number one priority. A Snow Emergency/Snow Parking Ban is declared and strongly enforced any time forecasted weather is issuing an accumulation of snow, sleet, hail, or ice on any streets or roads. No parking is permitted on any township street during a Snow Emergency. Please remove parked cars from the roadway during a snow event. An early notification of parking bans is recommended to increase public participation in getting their vehicles off of the street to facilitate the snow and ice control operations increasing both the efficiency and effectiveness of these operations. Motor vehicles shall not be parked on the main streets or residential streets during parking bans. All motor vehicles parked prior to the issuance shall be removed by the owners or operators thereof. Any vehicle parked in violation of this prohibition shall be removed (towed) by the township and the owner shall be subject to the penalties, fees and costs established for a parking infraction. Notification of Snow Emergency/Snow Parking Ban can be found on the front page of [www.plaintownshipstarkoh.gov](http://www.plaintownshipstarkoh.gov), via Nixle alerts, and the Plain Township's Facebook page.
